# Translation Notes

THOUGHT I SHOULD GIVE SOME HEADS-UPS ABOUT THIS MANGA.

1) I WILL NOT CHANGE A LOT OF THE CUTE, JAPANESE SOUND EFFECTS. I WILL DO WHAT I CAN, BUT SOME CANNOT BE TRANSLATED. AFTER ALL, JAPANESE PEOPLE MAKE SFX ON THE SPOT. PLEASE TRY MAKING THE SOUNDS YOURSELF TO KNOW WHAT THEY ARE.

2) AFUU IS NAMED AFUU BECAUSE THAT'S THE SOUND MIKI MAKES WHEN SHE YAWNS. "AFUU...". MAYBE I CALLED HAVE CALLED HER YAWNY OR SOMETHING, BUT NO THANKS.

3) THE ONLY THING CHIHYA (LITTLE CHIHAYA) SAYS IS "KU...!" THIS IS BECAUSE CHIHAYA SAYS THIS A LOT TOO. "KU...!" WHEN SHE'S UNHAPPY, "KU...! PRODUCER-SAN, PLEASE HURRY UP AND FIND A JOB FOR US." ETC. ETC.

4) MIKI'S SPEECH PATTERN ALWAYS INCLUDES "NANO" AT THE END, HENCE AFUU HAVING THE SAME TENDENCY...
EXCEPT NANO IS ALL SHE *EVER* SAYS.

A person who loves drawing from Osaka.
"Puchimasu" is his debut work.
He also did the cover artwork for the CD series,
"FamiSon 8BIT☆Idolm@ster".
Also, he loves scary stories and fighting
video games.

# The everyday 4-koma comic that was born from the idol-producing game, "THE iDOLM@STER"!

Welcome to the idol production agency, 765 Production. One day, two of the agency's idols, Ami and Mami, by some mystery, brought back some pretty cute creatures, called "Petit-dols"!

1

It kind of seems like the Petit-dols are somehow similar to the idols, but...? There's no time to be wondering! The days full of happenings have begun!
